

MIAMI-ROADS NEIGHBORHOOD

Civic Association, Inc.

INFORMATION FOR THE RESIDENTS OF S.W. 25 ROAD

The Miami-Roads Neighborhood Civic Association in conjunction with the Mary Brickell Garden Club has requested that S.W. 25 Road be co-designated as "Mary Brickell Road" and the City Commission will consider this item on June 29th.

Mrs. Brickell was the individual responsible for the design and construction of the Brickell Hammock section of "The Roads" neighborhood. Her motivation to develop a high quality residential neighborhood is responsible for the wide streets and median parkways that contribute to the distinctive beauty and value of our neighborhood. She is deserving of individual recognition as one of our community's foremost woman pioneers.

S.W. 25 Road is the "centerpiece" of the Brickell Hammock Parkway system, which has been designated by the city as a scenic and historic street system. The designation of "Mary Brickell Roads" will be at no cost to the residents of 25 Road and will not change any mailing addresses.
